House Select Committee on Intelligence

*Letter to Committee Chairman Otis G. Pike From
Philip W. Buchen, Counsel to the President.
Dated December 6, 1975. Released December 8, 1975*

Dear Mr. Chairman:

The President has asked me to reply on his behalf to your thoughtful letter of November 21. He has further asked me to tell you that he appreciates the fact that you and your Committee permitted representatives of the Executive Branch to appear for testimony on November 20, and shares your hope that the remaining "underlying issues" may be removed.

As you know, in order to provide your Committee with the substance of the information it sought to obtain by the November 6 subpoenas, the Executive Branch identified the originating agency with respect to all covert actions conducted from 1965 to the present. The President authorized this step because of his desire to meet the legitimate needs of the Committee for information on covert operations, although such detail was not required under any of the three subpoenas.

As a further demonstration of our desire for accommodation, the President has authorized me to inform you and your Committee that, since the 40 Committee subpoena covered only the period 1965 to the present, we will supplement the information already given to your Committee by providing similar information for the years 1961 through 1964 under the guidelines we have followed thus far. This additional step should, we believe, make it possible for the Committee to obtain the information that your letter indicated was necessary without affecting the President's claim of Executive privilege.

I sincerely hope, Mr. Chairman, that this further example of the President's desire to help the Committee carry out its important responsibilities will receive a favorable response by the Committee.

Sincerely,

PHILIP W. BUCHEN
Counsel to the President

[The Honorable Otis G. Pike, Chairman, Select Committee on Intelligence, House of Representatives, Washington, D.C. 20515]
